EVILS OF CONSTIPATION.

Those who are habitually troubled with constipation and who permit their bowels to go two or three days without an operation have little relish for their food. Their stomachs become disordered, they have piles and kidney diseases. No one can reasonably hope for good health unless his bowels move once a day. If they do not move naturally they should be helped, and for this purpose you will find no better medicine than Chamberlain's Tablets. Obtainable everywhere.—Adv. d&w

Beware of Ointments for Catarrh That Contain Mercury
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.
